

Dear Parents/Guardians –

Blessed Sacrament School is approved, through the Holyoke Public Schools, to implement the Community Eligibility Provision of the Healthy, Hunger-Free Kids Act, which is offered as part of the National School Lunch Program.

This program allows every child in our school the option of receiving free lunch. (Milk only may be purchased for \$.50 daily.) Our hot lunch program continues to be provided by the Holyoke Public Schools. The ordering process at school remains the same.

Along with the free lunch program, we offer a healthy cold breakfast option at no charge to any interested families. This program is available at 7:15am in our Middle School. Families must register in advance to utilize the breakfast program. Students from the ECC building who wish to participate are walked to their building at 7:30.

This program is separate from our Before School Program.

Breakfast program participants must arrive promptly at 7:15. Drop-Off is at the **Main Building UPPER parking lot entrance**. Parents must park and escort their child(ren) to the door at 7:15. Students are escorted to the Breakfast room by the teacher on duty.

Please fill out the form below and return it to school by August 9th if you wish to participate in the breakfast program. The program will begin on the first day of school, Monday, August 26th.

Yes, my child(ren) will participate in the breakfast program being offered at Blessed Sacrament School. I understand that I must be registered in advance and that my child must arrive at 7:15.
