

FACULTY & STAFF ANNUAL CALENDAR 2019-2020

BLESSED SACRAMENT FACULTY & STAFF is planning our **Annual Calendar** fundraiser for the 2019-2020 school year. The calendar features a grade each month with the children's pictures plus a chance to win money every single day! It is a full 12 month calendar with a \$40 winner EVERY DAY and a \$100 winner at least once per month. Participants have a chance to win more than once as your name is re-entered into the drawing after you win.

This is how the calendar works: *Purchase the calendar for \$25.00 and your name goes into a drawing. Everyday a name is picked and the winner gets \$40.00. Once that daily winner is picked, it goes right back in the drawing... so you have the chance to win 365 times! On fourteen special days the prize is \$100.00 instead of the \$40.00.*

Last year over 1,500 calendars were sold and the proceeds helped us get our school "cool". This year we expect to surpass that number and the funds will be used for a much needed new PA/Bell/Clock system. *(Our current system is so old that it can no longer be serviced!)*

Once again we expect 100% participation. All families will be responsible for selling at least 10 calendars. Like last year, incentives and promotions will be awarded for most calendars sold.

We are also offering you the opportunity to place your children's birthday on their special day or your anniversary. For the small cost of **\$10.00** those special birthdays and anniversaries can appear on all of the calendars marking those special dates.

There are also opportunities for advertisers. There are 12 monthly business advertising spaces for \$500.00 each. Business card ads are available for \$50.00. If you are interested in being an advertiser please contact the school office at 413-536-2236.

Attached is the form for birthdays and anniversaries. Please fill it out and return it to school by Friday, Sept. 27, 2019 to ensure you get your special date. Calendars will be going to print in October. (Checks made payable to Blessed Sacramento School)
