

ART ~ June 2022

Summer is only days away and the feeling of satisfaction for another successful school year makes me very pleased. The students have really developed great Art skills that will go with them the rest of their lives. The other day we congratulated 8th grade students, Morgan Dulude and Sam Rodriguez, for placing at the top for Hampden County in this Years “Arson Watch Poster Contest.” What a thrill it was to see the Holyoke Fire Department come and honor these students. They also encouraged the students to participate year and gave badges and pencils to some of the middle schoolers.

Kindergarten through fourth grade lavished the halls with various works of Art during this last quarter and the entire school paid respect to the people of Ukraine through creative expressions.

Looking forward to next school year!
Have a blessed Summer!
