Classes start
September 11 & 12

Confirmation Update

Bishop Byrne has decided that 9th Grade will be the new year for students to make their Confirmation. He has asked parishes to implement this transition over the next 2 years. This means that students entering:

- **10th & 11th grade** will be confirmed May 2023
- **8th & 9th grade** - Confirmation Prep 2 and will be confirmed in Spring 2024
- **7th grade** will be taking Confirmation Prep 1 and will be confirmed in Spring 2025

With this earlier Confirmation year change, it is even more important for students to attend regular Religious Ed classes and not just sacramental years.

This will insure that students have all the appropriate knowledge and tools needed to complete their final Sacrament of Initiation - Confirmation.

Online Classes Available

for those that qualify.
